FULTON COUNTY BOARD OF EDUCATION RELOCATING TO NORTH FULTON

The Fulton County Board of Education will be moving its administrative offices from South Fulton to Sandy Springs. The Board currently holds meetings in both locations. There is a concern that moving the office will prevent active participation in Board meetings by South Fulton residents. Commissioner Bill Edwards has started a petition on move.org asking for signatures to petition the Board to reconsider moving the offices from Cleveland Avenue to Sandy Springs. If you want to sign the petition, click the link. <http://www.change.org/petitions/fulton-county-board-of-education-we-urge-the-fulton-county-board-of-education-to-reconsider-its-decision-to-move-its-administrative-headquarters-from-cleveland-avenue-in-atlanta-to-powers-ferry-road-and-northridge-parkway-in-sandy-springs>
